Simple Laws

Fifth Sunday of Easter

1 John 3:18-24

There are a lot of laws. Our national Constitution is long. Every state, county and municipality has additional rules and regulations. Sometimes you don't know what a law is until you break it. Laws are important. They are necessary. But they are so numerous that it's hard to keep track of them all.

Our church is the same way. Our laws are important to us, but they are numerous. And they change. It is hard to keep up with them. Couldn't it be simpler somehow?

The First Letter of John says God basically has just two laws. "His commandment is this: we should believe in the name of his Son, Jesus Christ, and love one another just as he commanded us."

There, that was simple. Or was it?

To believe in the name of Jesus means that we order our lives around this belief: He is the Son of God, the one who came to save the world. His teaching, ministry and example should shape everything we do. And love one another? Well, that's easy when it comes to people we like. But it's not so easy with people we'd rather ignore, or people who have become our criminal enemies. Loving one another is not so simple.

Whether the laws are many or few, they are hard to keep. But those who keep God's commandments "remain in him, and he in them."

2012 Archbishop's Annual Appeal

This month, after years of study, eight men are being ordained to the priesthood. During their years of preparation for this vocation, they were supported by family and friends – and by everyone who made a gift to the Archbishop's Annual Appeal. When you make a gift to the Archbishop's Annual Appeal, you help meet the cost of priestly formation and education, since a portion of Appeal funds are used for this purpose. Please support our seminarians by making a gift to the Annual Appeal today.

There will also be a special meeting of the Finance and Parish Council on Tuesday, May 8th, at 7:00 p.m. in the Parish Center. Members please take notice.

- ✝ **Refundable Can and Bottle Drive** A bottle and can collection will take place on the weekend of June 2nd and 3rd to benefit ARC of Meriden/Wallingford. Donations of refundable bottles and cans will be accepted and may be left at the rear door of the Parish Center (near the dumpster). As always, your support is greatly appreciated!

- ✝ **Thank You!** Holy Angels sold delicious meatball grinders and giant cookies in the Food Tent at this year's Daffodil Festival. Our sincerest gratitude to the organizers, Shari DiDomenico and Tom Raffile, the cooks, the servers, as well as the diners, for supporting Holy Angels at its first appearance at the Daffodil Festival!

- ✝ **A Family Perspective** Like the vine grower in today's gospel, parents must "prune and cleanse" the branches in their family if their children are going to be rooted. Discipline, limits and setting goals are a necessary part of parenting so our children will grow and "bear fruit." *By Bud Ozar*

- ✝ **Vocations** *If you live in me and my words stay part of you, you may ask what you will and it will be done for you.* Pray for an increase in vocations to priesthood and religious life. To discern a vocation to priesthood or religious life, call Fr. **Michael Dolan**, Director of Vocations, Archdiocesan Center at Saint Thomas Seminary, Bloomfield, at 860.761.7456, or e-mail him at vocations@stseminary.org, or visit the website www.vocationshartford.org.

- ✝ **Did You Know?...** **MYSTAGOGY** Mystagogy is reflecting. It is a time set aside for those who just celebrated the Sacraments of Initiation at the Easter Vigil to share the meaning of the rites and rituals they just celebrated. Perhaps sharing how our experience affected us is something that we do not do often enough. We need to take some time to reflect, perhaps with others, on the meaning of the Holy Week celebrations. We are so used to looking forward to upcoming events that we forget how important it is to look back and share how and where God touched our hearts. That is the whole meaning of Mystagogy. To ask the question after every Mass, "Where did God touch me during the Liturgy?" would be a wonderful way to make more real the power of God's presence.
